PRESIDENTS MESSAGE

January 2011

VOLUNTEER'S ARE NEEDED FOR 2011 !!!

NEWSLETTER EDITOR

The most important need is for someone to take on the responsibility of publishing the monthly Newsletter. IF, you are interested, please let us know ASAP! Most likely, this January Newsletter will be the last one, IF no one comes forward.

CHAPTER 526 SUMMER BBQ

We need one or two members to take on the responsibility for putting on the Chapter Summer BBQ program. After last year's experience, we have developed systems and procedures that will make this program easier to address. Let me know if you are interested.

501©(3) COMMITTEE

The 501(c)(3) program continues to evolve toward the goal of being totally organized and prepared to operate with efficiency and within the IRS Tax rules. I would encourage any Chapter member with prior 501(c)(3) management, legal or accounting experience to identify themselves. These individuals with this prior experience can either join the committee or just be available as a resource to aid the standing committee. Legal and tax experience are the greatest need.

2011 DECEMBER/HOLIDAY DINNER

We need one or two members to take on the responsibility for this end of year event. Greg Duda and his wife Jan did a great job with the 2010 event. Nancy Ginesi-Hill and husband Bill were responsible for the collection and organization of the "Chapter Photo" presentation. The photo program is a great addition to the holiday dinner. In this regard, please take photos whenever and wherever you go during a "526 event" in 2011. Thanks Greg, Jan Nancy and Bill for their efforts.

FLY-OUT

New for 2011 will be an effort to organize one (or more) "Fly-Out" events. IF, you are interested in getting involved with the planning and organizational decisions, let us know. Currently, Dick Rupe and Stan Kisbey are heading up the KLHM side of things and we are looking for two members that will represent KAUN. PRELIMINARY thoughts are: 1. Set up the fly-out as a "Poker Run"; 2. Extend the "invitation" to fly to all local pilots; 3. Schedule the "fly-out" to START/FINISH @ KLHM; 4. Schedule each event for the 3rd Saturday of each month to take advantage of the "usually lower" fuel prices at KLHM; 5. Provide and BBQ lunch at the finish line/awards presentation; 6. Co-ordinate this event with the LRAA (Lincoln Regional Aviation Association) and the AAA (Auburn Airport Association). Please contact Dick, Stan or myself if you have the time and interest to get involved. A "target date" for the first fly out is March 19. Several members have expressed, in the past, a need to add in some Chapter "fun" activities. The "fly-out" is an idea that addresses this issue. If you have additional creative thoughts/ideas, let us know. No plane? Then this is a perfect opportunity to hitch a ride!

CHAPTER HISTORIAN

During the 501(c)(3) process, there was a need to define the past Chapter activities and events. In this pursuit, it became clear to those of us involved, that although the "526" has been around a long time (1974) and has an interesting history, there is NOT an "official" collection of historical materials. IF, you are interested in joining Marty Maisel and I, in our efforts to collect, chronicle and document the past 35 years of the Chapter history, let us know. We encourage ALL of our "long term" members to "dig" through their old files and records and let us "take a look". We will take "original copy" donations for the Chapter files or will gladly make copies and return the "originals". Additionally, we have plans to interview members that "can fill in the gaps" of the Chapter history. A specific need is a copy of a "25th Anniversary/Chapter 526 History" publication/booklet. Please take a look in your old files for a copy of this booklet. Obviously, this would be a very useful document to add to the Chapter History files.

SUMMARY

We have a big chapter with lot's going on each year. As the above indicates, volunteers are what make things happen. The above represents all that I have on my mind as we "launch" into 2011. Our Chapter is dependent on volunteers, please join in on the effort with those listed above....we do have fun.

Bill

Board of Directors Meeting

January 5th, 2011 at 6:00 PM in the Chapter Hangar

This month's Program Title: Landing On Memories

Summary: Phoenix Field. Skyridge. Branstetter/Natomas. Local aviation enthusiasts recall such names and places with fondness. Corl Leach will take us on a photo reminiscence of some of our area's lost airports. We'll recall aeronautical treasures of the past, then look forward at California's airports of today with an emphasis on what we can do to ward off threats that would have our current aerodromes meet a similar fate.

Lincoln Airport and the LRAA (Lincoln Regional Airport Association) will be holding an Aircraft Display Day on the 20th of February and then the 3rd Saturday of every month thereafter from 8 until 12 noon. The 3rd Saturday for November is the 20th. Also, discount fuel price of \$2.99 per gallon will be honored Friday, Saturday and Sunday.
